## HEATS ASSIGNMENT

- Each team will be allocated in a designated heat for each of the workouts.
- The configuration of the heats will be as follows:
- For Day 1, teams will be seed based on the verified results for the Pre-Workout event. Best Team will be placed in the last heat of each workout and the team with the lowest score will be placed in the first heat and so on.
- In the case two teams are tied in score and tie break and their placement can result in two different heats, the team who submitted the score the earliest will be placed first.
- Heat Allocation for Day 1 will be released at least 1 day before the Competition starts.
- For Day 2, allocation will be done based on the provisional leaderboard after event 3 on day 1
- Heat Allocation for Day 2 will be released the latest by 10 pm on October 24<sup>th</sup>.
- The organization will not entertain any request to change the heat allocation under any circumstances.
- The organization reserves the right to modify the heat schedule should there is any major reason requiring so. The organization will communicate the revised schedule with sufficient notice to the impacted teams
- All teams must proceed to the Waiting Zone at least 15 minutes before the commencement of their heat, where they will be meeting their assigned judge.

## 6. WORKOUTS & COMPETITION STANDARDS

- All workouts will be released before the competition starts by the email the team has registered with.
- Each workout will include a clear description of the sequence of the workout, equipment, weights, measures and standards as well as scoring.
- Teams are encouraged to read the information provided carefully and request clarification prior to the commencement of the event.
- Any changes on the workouts of standards, after they are published will be communicated to all teams via our Instagram account or via email.
- Urban Throwdown will organize a briefing session on each of the two days of the events in the morning, where athletes can also request further clarifications.
- Should the Team perform any particular movement in a way not clearly clarified in the standards, the Head Judge will rule on the validity of the movement. Teams are encouraged to clarify prior to the commencement of their heat any potential deviation, movement standard.
- For the appeals process, please follow section 7.

### SCORING

- Scoring system has agreed prior to the competition as per the below table.
- Each Workout has a tiebreaker to ensure a clear distribution of points among teams
- In the event of two or more teams ending with the same score and tie breaker, all teams will be awarded the same points as per the table. For example, if 3 teams tie at second place all 3 teams will be awarded the points corresponding to second place.
- We use Competition Corner to set the scores and produce the Leaderboard. You can check via the site at any time during the event your recorded scores and position.
- Once validated by the Head Judge the scores will be final.
- Pre-workout Event will award 5% of the points
- Event 1A and 1B will award 9.5% of the point each
- Event 2, 3, 4 & 5 will award 19% of the points each
- After the completion of Event 6 the top 3 teams in each category will be invited to perform an additional event ( Event 6 )
- Event 6 will award 100 points to the winner, 60 to the second place and 30 to the third place.
- Points will be added to the overall score after first 5 events to determine the overall winner of the RX & Scaled division
- In case of teams Tied Up with the same number of points, tie breaker will be the number of wins. In case the tie persist the top score at the pre workout will decide the win
- Pre-workout Event also will be used to select the teams invited to perform on the Elite Category. Number of Teams on Elite will be a minimum of 10 but Organization reserves the Right to increase the number before the competition starts

## 7. SCORING APPEAL PROCESS

- The scoring appeal process follows CrossFit rules.
- Appeals on No Reps during the live workout are not allowed.
- Teams cannot raise appeals against any other competing Team.
- At the end of the workout, the Team Captain will be requested to sign the score card and be handed over a paper slip with the recorded score by the assigned judge.
- Should the Team have any comments on the recorded score, the Team Captain can reach out to the Head Judge before the end of the next heat or within 15 minutes of the last heat, should the team be placed in the last one.

### Step 1:

- The competing Team informs the Lane Judge, Head Judge (HJ), or Competition Director (CD) they have an appeal.
- Coaches or any non team member may NOT raise an appeal on their athlete's behalf.

### Step 2:

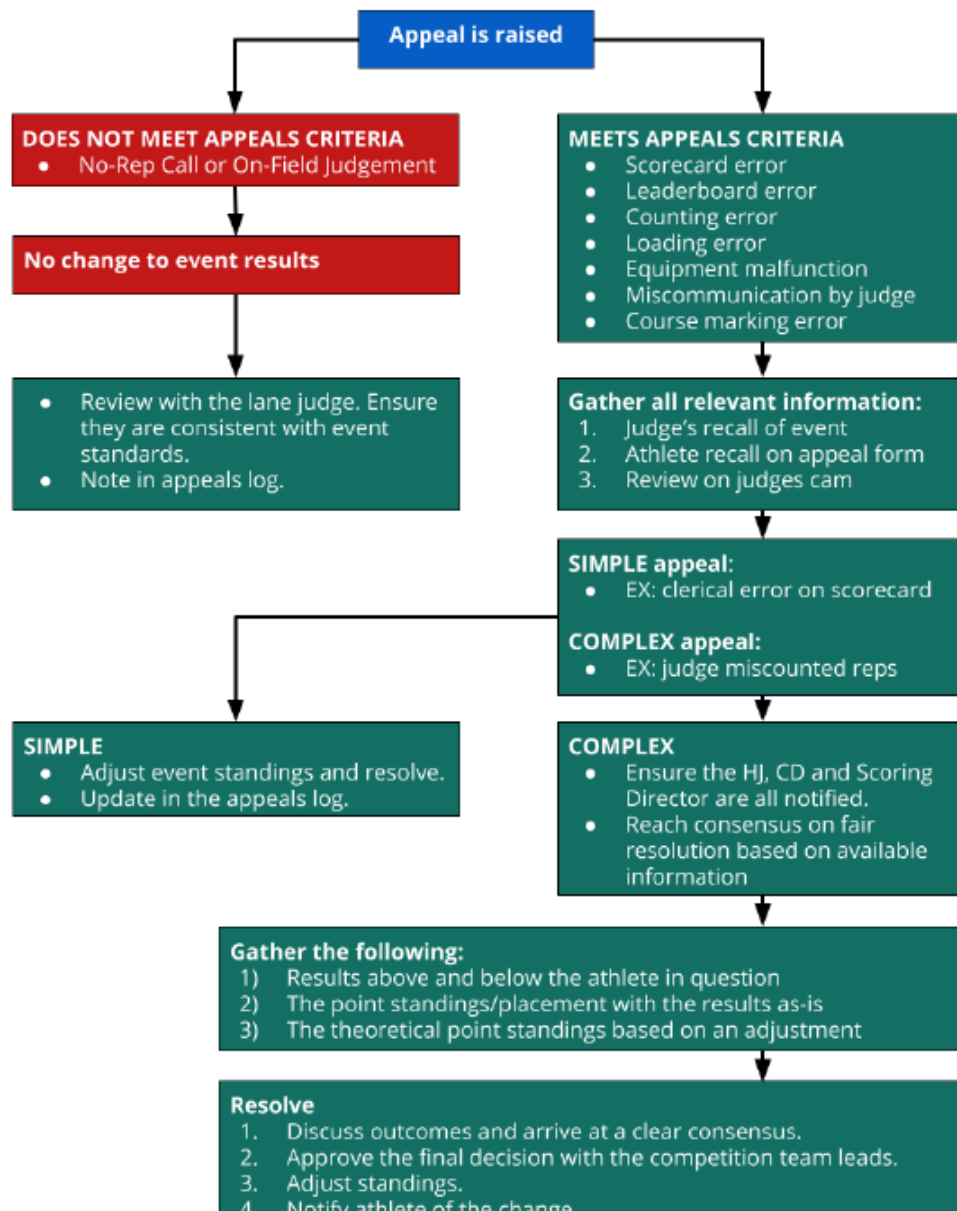

- The Lane Judge will communicate to the Head Judge (HJ) the appeal. If the appeal is approved by the HJ or Competition Director (CD), the athlete will annotate and sign the appeal on the back of the scoring Card and return to the HJ.

### Step 3:

- The HJ will conduct a formal fact-finding process and render a decision by consensus once all available information has been reviewed
- The Head Judge will review the claim with the individual judge and will rule on it before the next event starts. Ruling by the Head Judge will be final and cannot be appealed.
- Head Judge will communicate to the team the ruling. Until the ruling is communicated to the Team the matter will remain Open and the Leaderboard will be deemed provisional.
- Should the Team detect a mistake on the record of the agreed score on the online leaderboard, they will report also to the Head Judge before the commencement of the next event.
- Again, ruling by the Head Judge will be final and cannot be appealed.

## Scoring Appeal Process
